“Kaiser Brothers Brewery Bavarian Beer Made Kiwi.

Inspired by a centuries-old recipe created by their forefathers, Theo, Alex and Marcel Giesen established the Christchurch-based Kaiser Brothers Brewery in 2016.

Although based on a Bavarian brew, the beer is unmistakably Kiwi; a distinctive drop made from the finest, locally-sourced natural ingredients.

The Kaiser Brew Garden is the spiritual home of the beer and plays host to an on-site micro-brewery which produces new and exciting brews on a regular basis.

Cheers...and Prost!
